Brackets show the number of students eligible for inclusion in this measure.		
Grade and points for a student's best 3 A-levels more infoShow additional A-Level data		
A best 3 A levels score is calculated for each student by adding together the points in their best 3 A levels, then summed across a school or college, then divided by three to give a best 3 A levels points per entry, and this is also expressed as a grade.	Grade: B- 38.27 points (114 students)	Grade: C+ 34.97 points

Brackets show the number of students eligible for inclusion in this measure.

These figures tell you the average grade and average points that students achieved in their academic qualifications. We give a points value to all qualifications so you can compare qualifications of a different level, size and grading system. We base the number of points on the challenge and size of a qualification.

School / college B- (37.01 points)
 Number of Students 122
 Cumbria average (Local Authority) C (30.25 points)
 National Average C+ (32.11 points)
