## General Points

- Blazers should be worn at all times unless permission is granted not to do so.
- Outdoor jackets should be plain coloured, should not be worn instead of blazers and should be removed inside the school buildings.
- Leather, denim or denim-look are not permitted.
- Shirts should be tucked in at the waist.
- Subtle make-up may be worn in Years 9-11. Nail varnish, gel or acrylic nails are not permitted in school.
- For reasons of safety and security, we discourage pupils from wearing jewellery in school. Any items worn should be unobtrusive and will be limited to: one watch, one plain finger ring, one plain stud earring only in each ear. Nose rings are not considered appropriate for school. Facial and body piercing are both unacceptable for school and rings/studs must be removed before coming to school. All items of jewellery must be removed if requested in specialist subjects.
- Hairstyles and colour should complement the formal nature of school uniform. Hair colour should be natural and the cut or style should not be extreme.

All articles of uniform should be clearly marked with the owner's name. Unnamed lost property will be donated to the school's recycled uniform shop or to a local charity shop at the end of term.

If named items of lost property are handed in to the school office, notes are put into the pupils' registers asking them to collect the items from the lost property area.

Parents are very welcome to come into school to look through the lost property cupboard themselves. Please report to school reception from where you will be directed to the lost property area.

**\*A dentist will visit school early in September if there is sufficient interest in professionally fitted mouth guards**
