

Latest Government Guidance for full opening of schools on 8th March 2021

The Government has stated that they expect all pupils in all year groups to return to school full-time from 8th March 2021. This risk assessment has been updated following the latest Government guidance for schools reopening on March 8th.

The risk to children themselves of becoming severely ill from COVID-19 is very low.

PLEASE NOTE: new guidance suggests that wearing face visors on their own is not sufficient protection and should only be worn with a face mask.

Schools are required to implement a system of controls to ensure they minimise the number of contacts that pupils have during the school day. The school must also take account of transport to and from school.

The guidance recognises that there cannot be a 'one size fits all' approach and that school leaders are best placed to understand the needs of their schools and their communities, and to make informed judgements about how to deliver the curriculum with the measures needed to manage risk.

The Health and Safety and that of our students, staff and community are the most important factor in this process

Revising the QEGS COVID-19 Risk Assessment

Schools are required to revise their risk assessments to ensure that the additional control measures that are required are included and implemented in line with the latest guidance.

This is a legal requirement under health and safety law.

There is no need to produce a new risk assessment for managing the return to school as many of the existing control measures you already have in place will still apply.

Review process – Covid-19 8th March Opening

We have produced a list of additional control measures (see page 2) that you need to consider for your setting. These control measures have been listed in the order they appeared on our model CV19 risk assessments so that these items can be copied in to your current risk assessment.

The tables below summarise reviewed control measures in line with the updated [DfE Guidance for full opening of schools](#)

<http://www.cleapss.org.uk/> gives specific guidance for practical teaching in Science, Design Technology and Art. See [GL343 Guide to doing practical work during the COVID-19 Pandemic](#)

On the Operations risk assessment the row highlighted in red is a new section for you to consider the potential issues around implementing and maintaining social distancing measures.

Groups

Educational settings must do everything possible to minimise contact and mixing whilst delivering a broad and balanced curriculum. It is recommended that you avoid contact

between individual groups/bubbles; staff must maintain distance from pupils and other staff as much as possible and arrange the classrooms with forward facing desks. Smaller groups are recommended but if class-sized groups are not compatible with offering a full range of subjects you can look to implement year group size groups/bubbles for further details see [DfE Guidance for full opening of schools](#).

Vulnerable pupils and staff

Schools must complete individual risk assessments with additional support measures for each pupil or staff member that believes or is thought to be vulnerable.

Supply teachers, other temporary or peripatetic teachers, visiting council officers and healthcare practitioners

Educational settings can continue to engage supply teachers and other supply staff during this period. Specialists, therapists, clinicians and other support staff for pupils with SEND must continue to provide interventions. A separate risk assessment has been developed for visiting officers and healthcare practitioners. The school and visitor risk assessments must be shared.

The Head teacher has the final say on who is permitted to visit the school.

School Uniforms

It goes on to say 'Uniforms do not need to be cleaned any more often than usual, nor do they need to be cleaned using methods which are different from normal.'

Local Lockdown Procedures

The DfE has stated that every school will also need a plan for the possibility of a further local lockdown.

Medium risk

Recognising the national COVID Alert Level has been reduced from 5 to 4. There are currently very high rates of community transmission, with substantial numbers of COVID patients in hospitals and in intensive care. National lockdown in place from 5th January 2021.

Professionals in Public Health, Health and Safety and Services will continue to work closely with recognised Trade Union Colleagues to promote safe working procedures, suitable safety controls and limit risk.

A draft [Outbreak Management plan](#) has been produced and following consultation will be adopted by Cumbria's Local Resilience Forum and will form part of the overall Cumbria Emergency Plan framework. This includes lockdown actions for educational settings in the event of a localised incident or outbreak.

Additional Control Measures considered for the existing COVID-19 risk assessments

Hazard Description and How are people at risk	Additional Control Measures to consider for January opening - PREMISES
<p>Spread of COVID-19 School Operations/ Management</p>	<p>All schools have access to Public Health Weekly Outbreak Control Report which provides an overview of the current COVID-19 situation in Cumbria based on available local and national data</p> <ul style="list-style-type: none"> <input type="checkbox"/> Desks will be arranged to face forward with pupils sitting side by side <input type="checkbox"/> All usual pre-term building checks have been carried out before school opened <input type="checkbox"/> Staff provided with updated information and guidance in line with COVID-19 and include protocol poster in each classroom <input type="checkbox"/> Posters displayed throughout the site to follow social distancing <p>The following documents are available to download from the Schools Portal</p> <ul style="list-style-type: none"> <input type="checkbox"/> Catch it, kill it, bin it poster displayed <input type="checkbox"/> Annual School Premises H&S inspection checklist

Hazard Description and how are people at risk	Current Control Measures in place for COVID - 19
<p>Hazards in relation to staffing and daily operation</p>	<ul style="list-style-type: none"> <input type="checkbox"/> Where the control measures mention the requirement for face coverings – these are not classified as PPE <input type="checkbox"/> All staff adhere to any instructions, advice, guidance and site rules provided to them including hand and respiratory hygiene and maintaining social distancing <input type="checkbox"/> Staff and pupils have been advised that they must not come into school if they have Coronavirus (COVID 19) symptoms (a high temperature, a new continuous cough, loss of taste or smell), or a member of their household has symptoms, or they have had a positive test. <input type="checkbox"/> Staff and pupil will not be permitted to attend school if they have to quarantine having recently visited countries outside of the Common Travel Area <input type="checkbox"/> Lateral flow testing to be carried out in line with Government Guidance to help detect asymptomatic cases. Testing will commence on 8th March 2021 and will finish on Thursday 18th March with the completion of 3 test for all students. <input type="checkbox"/> Home testing for students will commence Monday 22nd March 2021. The school has received a delivery of the test kits. <input type="checkbox"/> Staff (and pupils over the age of 16 where appropriate) are encouraged to download the NHS COVID-19 app and follow the Government guidance: Use of the NHS COVID-19 app in education and childcare settings <input type="checkbox"/> Twice weekly testing will commence for staff Monday 8th March 2021. Testing kits are available from school <input type="checkbox"/> Staff or pupils who have been identified as Clinically Extremely Vulnerable will work from home until the current shielding guidance ends on the 31st March 2021 <input type="checkbox"/> Individual risk assessments will be carried out for staff who are shielding before they can return to the workplace. <input type="checkbox"/> Head Teacher/SLT will determine arrangements to manage pupil groups dependant on the school circumstances with the aim of minimising contact between individuals and maintain social distancing wherever possible as detailed in current Government guidance <input type="checkbox"/> All non-essential visits to schools have been stopped

- PHE COVID-19 Testing guidance communicated to staff
- Individual Risk Assessments carried out for staff who currently shielding.
- Staff (and pupils over the age of 16 where appropriate) are encouraged to register on the NHS website and follow the Government guidance and register each test taken.
- Staff (and pupils over the age of 16 where appropriate) are encouraged to register on the NHS website and follow the Government guidance. Whilst in the educational setting it is recommended that the 'trace' function of the app is paused.
- The setting will maintain records of all visitors to support the NHS Test and Trace programme.
- Supply teachers, peripatetic teachers and other temporary staff are permitted to move between schools.
- Visits to the setting to be restricted to those that are absolutely necessary.
- Supply teachers etc. to complete risk assessment for specialist visits prior to visit.
- Student work placements are permitted at the discretion of the Head Teacher.
- Face coverings to be worn by adults and pupils when in school buildings. A contingency of masks will be in school to ensure anyone without a face covering can be given one.
- Instructions are provided regarding the safe wearing of face coverings and individuals who are exempt from wearing masks will be identified.
- Employees are encouraged to accept the offer of vaccination cover (**as this becomes available and appropriate**).
- Staff are responsible for ensuring that they are up to date with their own routine immunisations.
- Where face-to-face visits are authorised, the Head teacher has the discretion of requiring visitors to wear face coverings where social distancing cannot be managed.
- Pupils and staff will be permitted to take home resources that are relevant to pupil education and development – rules around hand hygiene and cleaning of resources and rotation will apply.
- Resources such as books and games will be shared within the bubble and will be cleaned regularly, between use and by different groups and rotated where possible.
- Resources such as sports, art and science equipment must be cleaned frequently between bubbles or rotated to allow them to be left unused and out of reach for a period of 48 hours (72 for plastic) by different bubbles. *As recommended by Cleapss.*
- Parents/carers only allowed in the school at the discretion of the Head teacher and where possible outside of school hours
- The amount of equipment that pupils can bring into school will be limited to essential items such as lunch boxes, hats, coats and books, stationery frequently used items such as pens and pencils and mobile phones, where permitted.
- School Bags are also allowed – storage for these items has been planned.
- Sharing individual / personal equipment will be discouraged but Staff **must not** share with students.
- All pupils must have their own water bottles. Water fountains allocated to each bubble group can be used.
- Year groups have been allocated specific bubble bases where the majority of their lessons will occur.
- Specialist teaching will carry on in subjects such as Music, PE, DT and science.

	<ul style="list-style-type: none"> <input type="checkbox"/> Movement outside of bubble areas will be made as safe as possible to avoid mixing of bubbles through a combination of one way routes designated by floor arrows, reminders to keep to the left where this is not possible and a staggered timetable. <input type="checkbox"/> Signage has been extended, adapted and updated as required. <input type="checkbox"/> The main building has been divided into east and west to ensure bubbles do not mix. <input type="checkbox"/> The timetable for each bubble group will be staggered to provide minimal overlap at breaks, lunchtime and end of school
<p>Infection prevention through social distancing minimising contact between groups</p>	<ul style="list-style-type: none"> <input type="checkbox"/> Children will be supported to maintain social distancing and are not to touch staff. <input type="checkbox"/> All staff with younger children and children with complex needs or who need close personal care will try to maintain their distance and minimise time spent within 1 metre of anyone. <input type="checkbox"/> Designated individual rooms will be cleaned after lunch for students with specific identified allergies. <input type="checkbox"/> All staff are to maintain a 2 metre distance between themselves, their colleagues and the pupils where possible, limiting time spent within 1 metre of anyone. <input type="checkbox"/> Routine school assemblies will not be held. <input type="checkbox"/> Movement around the school will be kept to a minimum and break times and lunch times will be staggered to prevent busy corridors, entrances and exits. <input type="checkbox"/> All staff and students will register in school to comply with the government Track and Trace <input type="checkbox"/> Student seating plans will be filed centrally and updated when required. <input type="checkbox"/> Access to the dining facilities will be staggered with each year group having a dedicated slot of 20 minutes. Dining facilities will not be available until Thursday 11th March, after the completion of round 1 of student testing. <input type="checkbox"/> Food on offer to be limited to take away <input type="checkbox"/> First break service is currently suspended <input type="checkbox"/> Additional toilet blocks have been rented to provide each year group with dedicated facilities. Year 10 and Year 11 share toilets but they are socially distanced and labelled. <input type="checkbox"/> Year 11 will remain on site. 6th Form are given the option to go off site at lunchtime to reduce pressure on site. 6th Form students are to continue to follow social distancing when they leave the school site.
<p>Hazards relating to performance activities such as music, dance and drama</p>	<ul style="list-style-type: none"> <input type="checkbox"/> Group numbers will be limited to ensure that social distancing measures can be observed. Risk assessments to be developed for individual performances. <input type="checkbox"/> Where practical, performances will take place outdoors. There will be no performances with audiences <input type="checkbox"/> Where performances are indoors, rooms will be well ventilated.
<p>Hazards relating to school activities outside</p>	<ul style="list-style-type: none"> <input type="checkbox"/> Group numbers will be limited to ensure that social distancing measures can be observed. Risk assessments to be developed for individual activities. <input type="checkbox"/> Where practical, performances will take place outdoors. <input type="checkbox"/> Where performances are indoors, rooms will be well ventilated. <input type="checkbox"/> Pupil/staff cohorts remain together at all times. <input type="checkbox"/> Outside spaces to be used for learning where possible. <input type="checkbox"/> Outdoor play equipment to be taken out of use with access prevented by means of suitable barriers OR cleaned regularly, before and after use and between groups. <input type="checkbox"/> Where possible outdoor sports will be prioritised. <input type="checkbox"/> Any equipment used will be subject to thorough cleaning.

<p>Hazards in relation to ventilation and heating issues</p>	<ul style="list-style-type: none"> <input type="checkbox"/> The building will remain well ventilated where possible using natural ventilation. <input type="checkbox"/> Mechanical ventilation systems have been serviced and checked <input type="checkbox"/> Classroom windows and doors (not fire doors) will be kept open to allow good ventilation in classrooms and opened wider during break and lunchtimes when the class is empty <input type="checkbox"/> The fire doors of all unoccupied rooms should remain closed when rooms are empty. (Where classroom doors are not fire doors, they can be left open during break times). <input type="checkbox"/> Heaters will be operating to maintain a reasonable temperature as required by The Workplace (Health Safety and Welfare) Regulations
<p>Hazards in relation to cleaning/ hygiene/waste management</p>	<ul style="list-style-type: none"> <input type="checkbox"/> Cleaning will be carried out in accordance with the current guidance COVID-19 Cleaning in non-healthcare settings <input type="checkbox"/> Hand hygiene procedures widely promoted and adhered to with provision/promotion of the use of sanitising hand gel (60% alcohol) as required for those without easy access to suitable handwashing facilities. <input type="checkbox"/> Staff and pupils are instructed to sanitise their hands upon entry into school, returning from breaks, when they change rooms, before and after eating and when they have been to the toilet. <input type="checkbox"/> Face coverings must be worn by all staff and students when moving between lessons on corridors and communal areas <input type="checkbox"/> Face coverings may be worn in lessons and are compulsory for demonstrations. A demonstration should not last for longer than 15 minutes. <input type="checkbox"/> Both of the above rules are subject to medical condition and negotiation which is aimed at ensuring full attendance of students and staff. <input type="checkbox"/> Sufficient hand washing or hand sanitising stations available around the school. <input type="checkbox"/> Safety data sheets are available for any sanitising products in case of ingestion. These are available on the school website. <input type="checkbox"/> Sufficient waste bins close to the wash stations will be provided and emptied regularly by designated staff. <input type="checkbox"/> Standard cleaning products and disinfectant will be used for cleaning. <input type="checkbox"/> Enhanced cleaning schedules will be shared and implemented including more frequent cleaning of rooms and shared areas, frequently touched surfaces. <input type="checkbox"/> Students sanitise hands and sanitise the work area when entering a room. This is by either wet wipes or anti-bacterial spray and paper. <input type="checkbox"/> An additional member of cleaning staff operates during the school day to continually clean handles, bannisters, toilets and other high volume areas/surfaces. This is in addition to the regular cleaning before and after school. <input type="checkbox"/> Where toilet facilities are shared by more than one group, cleaning will be completed between different group usages. <input type="checkbox"/> Fogging equipment is be used out of school hours on a weekly basis in all areas.
<p>Reducing the risk of infection on dedicated school transport and public transport and during organised educational visits</p>	<p>The updated government guidance outlines that social distancing measures WILL NOT apply on dedicated school transport however at QEGS:</p> <ul style="list-style-type: none"> <input type="checkbox"/> Students will sit according to a seating plan agreed with UCC on school buses with face coverings <input type="checkbox"/> Schools will need to record how each person, pupils and staff, travels to and from school (to support Track and Trace) <input type="checkbox"/> Where relevant transport for SEND pupils will be subject to individual risk assessment

	<ul style="list-style-type: none"> <input type="checkbox"/> Staff and pupils over the age of 11 will still be required to wear face coverings when using public transport – coronavirus-covid-19 safer travel guidance for passengers face-coverings <input type="checkbox"/> Domestic Overnight and overseas educational visits remain suspended <input type="checkbox"/> Local Authority schools must make use of the EVOLVE Notification and Approval System. They will be expected to follow the normal process of risk assessment and log all educational visits onto the EVOLVE database. <input type="checkbox"/> Where possible staff should avoid/limit the use of public transport. If this is unavoidable Government guidance is that you need to use a face covering.
<p>Hazards in relation to managing incidents and emergencies</p> <p>Staff or pupil becoming unwell with COVID-19 symptoms whilst on site</p>	<ul style="list-style-type: none"> <input type="checkbox"/> Where a child develops symptoms whilst at school, they will be moved to a room where they can be isolated from others until they can be collected. Adult supervision will be provided at all times by a trained member of staff <input type="checkbox"/> Where there is no room to isolate, the child must be moved to an area where they can maintain a 2M distance <input type="checkbox"/> PPE will be provided if a child or member of staff becomes ill with symptoms of COVID-19 and the staff who are caring for them are unable to maintain the 2m social distance. PPE measures will include a Type II Fluid Resistant Surgical Mask, apron and gloves. <input type="checkbox"/> AW or EFAW certificates that expired after 16 March 2020 can remain valid until 31 October 2020 or 6 months from date of expiry, whichever is later. All requalification training for these certificates should be completed by 31 March 2021. If first aiders are unable to access annual refresher training face to face during the pandemic, online refresher training should be undertaken to keep their skills up to date. <input type="checkbox"/> A separate toilet will be used if the child/adult needs to use the bathroom which will be cleaned and disinfected in line with the current guidance COVID-19 Cleaning in non-healthcare settings before anyone else can use it,
<p>Hazards in relation to staff and pupils deemed high risk due to underlying or pre-existing health conditions</p>	<ul style="list-style-type: none"> <input type="checkbox"/> Follow the guidance provided by the Royal College of Obstetricians and Gynaecologists for pregnant staff. <input type="checkbox"/> Staff who may have increased risk from COVID-19 must raise their concerns with the Head Teacher who will explain the measures the school is putting in place to reduce the risk, e.g. for Pregnancy, Asthma etc. Staff should carry their prescribed medication with them at all times. <input type="checkbox"/> Staff and pupils who have previously been identified as 'Clinically Extremely Vulnerable' must follow the current Government guidance during the current lockdown period and currently will not return to school prior to 31st March at the earliest. <input type="checkbox"/> Pupils who have been identified as CEV are advised to stay at home. <input type="checkbox"/> If the person cannot undertake their normal duties or are unable to work from home should contact HR to discuss any reasonable adjustments
<p>Hazards in relation to eating and safe welfare facilities</p>	<ul style="list-style-type: none"> <input type="checkbox"/> Staff spaces will be carefully reviewed to support staff to maintain social distancing measures between each other and frequent cleaning completed. <input type="checkbox"/> Use of staff rooms will be minimised and social distancing measures implemented to limited staff use at any one time.
<p>Hazards in relation to pupil and staff wellbeing and mental health</p>	<ul style="list-style-type: none"> <input type="checkbox"/> Staff will be asked to report any concerns in relation to health and wellbeing so that these can be discussed and support provided as relevant. The school will continue to follow its normal process in relation to managing work related stress and ill health procedures. <input type="checkbox"/> Preventing ill health due to anxiety and work-related stress

Preventing ill health due to anxiety and work-related stress	<input type="checkbox"/> Staff well-being will be monitored – weekly / monthly. <input type="checkbox"/> Staff will be referred to occupational health as early as possible. <input type="checkbox"/> All staff aware of their responsibilities to report safety concerns, ill health, damage, defects, accidents or incidents in line with existing school policy.
Staff suffering from 'Post COVID Syndrome' Returning to work following COVID-19 infection	<input type="checkbox"/> Arrangements will be in place to ensure that any staff member returning to work following a COVID-19 infection and potentially suffering from 'Long COVID' is fully supported in their return to work. <input type="checkbox"/> Individual risk assessments to be carried out <input type="checkbox"/> https://www.yourcovidrecovery.nhs.uk/what-is-covid-19/
Hazards due to the lack of suitable PPE	<input type="checkbox"/> Staff and pupils to be fit/well to attend setting. <input type="checkbox"/> PPE that is normally needed for dealing with an individual child will be available as per health care plan <input type="checkbox"/> Local risk assessments/individual healthcare plans/ behaviour management plans reviewed and followed to identify PPE requirements in line with current guidance. <input type="checkbox"/> PPE to be fit for purpose/approved specification. Where PPE/RPE is provided, staff are provided with training and instruction in its use. <input type="checkbox"/> PPE will be provided if a child or member of staff becomes ill with symptoms of COVID-19 and the staff who are caring for them are unable to maintain the 2m social distance. PPE measures will include a Type II Fluid Resistant Surgical Mask, apron, and gloves. <input type="checkbox"/> Local compliance to be monitored by Head Teachers as far as reasonably practicable.
Training	<input type="checkbox"/> All staff will receive appropriate training and updates on the measures contained within this risk assessment.
Monitoring	<input type="checkbox"/> Current relevant national guidance will be monitored and followed. <input type="checkbox"/> Risk Assessment and its implementation will be monitored by the SLT on at least a weekly basis, and will take account of well-being survey information, weekly LA infection reports and any critical incident reviews. <input type="checkbox"/> Regular feedback will be provided to staff on the Risk Assessment reviews
Dissemination	<input type="checkbox"/> This document will be provided to all staff and available on request and on the school website.

Hopefully this has summarised the key considerations to help you revise your risk assessments to allow you to fully open your school in a way that will be safe for you, your staff and your pupils however should you wish to discuss any issues or have any other queries please do not hesitate to contact the health and safety team who are on hand to support.

- A **Direct contact** is defined as someone who has not worn Personal Protective Equipment (PPE) and had the following contact with the confirmed case:
 - being coughed on, or
 - having a face-to-face conversation within 1 metre, or
 - having unprotected skin-to-skin physical contact, or
 - travel in a small vehicle with the case, or
 - any contact within 1 metre for 1 minute or longer without face-to-face contact
- A **Close contact** is defined as someone who has not worn Personal Protective Equipment (PPE) and had the following contact with the confirmed case:
 - Extended close contact (between 1 and 2 metres for more than 15 minutes) with a case

Details required

- Name
- Date of Birth
- Address and contact telephone number (if the individual is a child, the caller will be asked to give the parent or carers name and telephone number)
- Symptoms and the date the symptoms started
- Date the individual was tested and test result
- When the individual was last in the school / other educational setting

APPENDIX 2 – Template to record incidents where a child develops symptoms whilst at school

In the event of a COVID-19 outbreak, the table will ensure that important information is recorded in one place and is easily accessible

Date	Name	Class	Date/Time of onset of symptoms	Symptoms*	Time between detection of symptoms and isolation at school	Did staff member wear PPE?** Y/N
