

Microsoft Teams

TEAMS is now our standard blended education platform.

Scenario A	Scenario B	Scenario C
<p>Individual Student(s) Absent from Class due to Covid-19. Most students and the teacher are in school as normal.</p>	<p>Whole Year/Form/Class Group Absent from School due to Covid-19. (Bubble sent home to isolate) This scenario is currently unlikely due to government advice.</p>	<p>Total School Closure Due to Covid-19 This scenario is currently unlikely due to government advice.</p>
<p><i>If your child is well enough that they would normally attend school, but can't due to Covid-19 restrictions:</i> Students should sign into the Team of their class at the time of their lesson. The teacher will either communicate the work they are meant to be completing via the chat or invite them to the live lesson if appropriate. Students should ask any questions via the chat.</p> <p><i>If your child is unwell: they should aim to catch up on the work missed once they are well enough to do so. Work will be made available Teams, and homework will be issued via Edulink as normal.</i></p>	<p><i>If your child is well enough that they would normally attend school, but can't due to Covid-19 restrictions:</i> Students should sign into the Team of their class at the time of their lesson. Students do not need to wear their uniform for lessons if they are joining remotely from home due to isolation.

Edulink will be used as the standard platform for all regular **HOMEWORK**

Both Teams (as part of Microsoft 365) and Edulink can be accessed from any device with internet capability. Students can download any MS365 App to three devices free of charge as part of our school contract. Details of how to do this can be found on our website. The Edulink App can be downloaded to both Android and Apple operating systems, and the web version is accessible via all internet browsers.
