

The 16-19 Bursary

Purpose:

The 16-19 Bursary is designed to help students facing financial barriers meet the costs that are related to their participation in sixth form studies. There are two types of bursary. The first is for students who are considered vulnerable by the Department of Education. Secondly, there are discretionary bursaries that the school can offer depending on the circumstances of individuals and their specific educational and financial needs.

What is the bursary for:

- Books and equipment required for the study of your courses
- Transport
- Visits and other course related costs
- University interviews and open days

What is the bursary not for:

- Providing learning support. For example, counselling or mentoring
- Supporting extra-curricular activities where these are not essential to the students' study programme
- Supporting general household incomes

Eligibility:

To be eligible to receive a bursary you (the student) must be aged under 19 on 31 August 2023. Note that the bursary is for the academic year 2022/2023 only. Students will need to demonstrate that their financial situation hasn't changed if they wish to receive bursary support in the second year of their A Level studies. You must also be a UK resident as per the terms of the ESFA funding guidance for 16-19 students.
