AIMS

This policy statement aims to set out our school’s arrangements for managing the access of education and training providers to students for the purpose of giving them information about their offer. It sets out:

- Procedures in relation to requests for access
- The grounds for granting and refusing requests for access
- Details of premises or facilities to be provided to a person who is given access

STATUTORY REQUIREMENTS

Schools are required to ensure that there is an opportunity for a range of education and training providers to access students in years 8 to 13 for the purposes of informing them about approved technical education, qualifications or apprenticeships.

Schools must also have a policy statement that outlines the circumstances in which education and training providers will be given access to these students.

This is outlined in section 42B of the [Education Act 1997](#).

This policy shows how our school complies with these requirements.

STUDENT ENTITLEMENT

All students in years 8 to 13 at Queen Elizabeth Grammar School are entitled to:

- Find out about technical education qualifications and apprenticeship opportunities as part of our careers programme, which provides information on the full range of education and training options available at each transition point
- Hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships, e.g. through activities and events such as options events, assemblies and taster events
- Understand how to make applications for the full range of academic and technical courses

Access will be refused to anyone wanting to share controversial or extremist views. The Headteacher will make the final decision regarding this.

We would ask people to have a negative lateral flow test before coming on to site.

SAFEGUARDING

Our safeguarding/child protection policy outlines the school's procedure for checking the identity and suitability of visitors.

Education and training providers will be expected to adhere to this policy.

- Providers will be able to use the hall, classrooms and ICT facilities. If they wish to use ICT facilities, they will need to sign the ICT user agreement in the online safety policy below. Material will need to be checked by the Careers Lead in advance.
- Contact the Careers Lead to organise facilities.
- Providers are welcome to leave prospectuses and other material for students to read.
- It is expected that all visitors to the site will adhere to the COVID-19 safety measures.
